

January 8, 2021

Dear FCCC Parent or Guardian,

As I am sure that you have heard that, on January 11th the FCCC before and after school programs will not be re-opening. The closure has been extended until January 22nd inclusively. Parents will not be charged for these closure days. We will NOT be processing the pre-authorized debit payments. Billing for fees will resume once we have confirmation of our ability to re-open.

Our preschool sites have re-opened as planned on January 4th and will continue to be open.

Just a reminder that when you return, we will be reverting back to in person screening. You will still use the screening tool that you were last given and that is on the Ministry website, <https://covid-19.ontario.ca/school-screening>. You will be required to show the screener the Green Pass and/or to answer the screening questions at the door, prior to your child's acceptance into the centre. Our after school, school-age children that only attend afternoons, will be required to bring in the hard copy of the completed screening tool. There may be further measures put into place for the re-opening.

Please continue to watch for updates on our website, frontenaccountychildcarecentre.ca and or through the outgoing message of the site that your child attends.

Thank you in advance for your continued support and for your help in keeping our FCCC communities healthy.

Sincerely,

Kim Greek, RECE

Executive Director, Frontenac County Childcare Centre
